Present: Councillors: Peter Beck, Carole Coutanche, David Maclean, Simon Raven, Anne Scoles (Chairman), Pam Thompson.

1. Apologies for absence were accepted from Henrietta Faire.
2. There were no declarations of interest.
3. No members of public were present.
4. Planning application 14/01441/F Variation of planning permission 12/01772/F at Westering, Tower Road. It was agreed that the new alterations still do not enhance what is an Area of Outstanding Natural Beauty. The plans are still not in keeping with the character of the village and the proposed building is still too great an increase on the original footprint. The stainless roof is out of character with surrounding buildings. Access to the coastal path must be maintained.
5. Planning Application 14/01505/LDP Air Source Heat Pump at Sea Marsh. There were no objections.  
14/01515/F Insertion of roof lights and conversion of garage into kitchen at Dairy Farm. There were no objections.
6. It was agreed to accept Play Maintains quote for maintenance work provided that there is a satisfactory guarantee on the work. There was discussion about the possibility of having extra benches made from recycled plastic in future and to ask that Norfolk Superheroes annual donation be to the playing field next year. It was agreed in principle to allow two small mounds in the South West corner of the smaller playing field for bike riding and other activities, provided that Holkham Estate are agreeable and depending on any cost. Also to look into the condition of the centre hedge and asking Holkham Estate for professional help with cutting branches and improving it where needed.
